* See back panel for details.

^ Under the No Interest Plans, each month you are only required to pay the required minimum monthly payment in the column to the left and to avoid interest, the promotional purchase must be paid in full within the promotional period. The amounts in these columns are the amounts to be paid if you choose to make equal monthly payments and take advantage of the promotion.

† Minimum monthly payment may increase when APR exceeds 24.00%. See back panel for additional details.

†† 6 and 12 months are not available in all offices. Please ask for availability.
